

COVID-19 Addendum to Public or Municipal Property Permit Application

PLEASE READ CAREFULLY!

Dr. Bonnie Henry stated on May 16, 2020 that “COVID-19 is new for all of us”. We at the Village of Harrison Hot Springs (Village) responded to the direction from our public health officials to first close our facilities and cease offering services, and we are now responding to the direction to reopen our facilities and offer services to our community cautiously, with the safety of our staff and community being our priority. This includes permitting user groups access to our facilities, but solely on the basis that COVID-19 precautions will be adhered to by any and all user groups and individual participants.

COVID-19 remains a worldwide pandemic and a threat to our local health and safety. We know the following (this list is not intended to be exhaustive):

1. The infectious agent, SARS-CoV-2, has caused cases and outbreaks of a serious communicable disease known as COVID-19 among the population of the Province of British Columbia;
2. Our public health officials have determined this constitutes a regional event, as defined in section 51 of the *Public Health Act*;
3. A person infected with SARS-CoV-2 can infect other people with whom the infected person is in contact; and
4. The gathering of people in close contact with one another can promote the transmission of SARS-CoV-2 and increase the number of people who develop COVID-19.

We cannot be certain that a person (of any age) will not contract SARS-CoV-2 at one of our facilities and/or while participating in events/activities at those venues. Groups booking Village facilities will be required to develop a COVID-19 Safety Plan inclusive of associated policies and procedures that support the plan, have it readily available for participants, and provide it to the Village should it be requested. Your participants are to be made aware that **the risk remains that a COVID-19 outbreak could occur despite our efforts.**

As the representative of a user group, you are required to develop and confirm that you understand your COVID-19 Safety Plan and that you have developed COVID-19 policies and procedures that are aligned with provincial guidelines for your activity. You are required to circulate this Addendum to the participants in the activity for which you are utilizing our facilities. You are required to take steps to ensure that participants act in accordance with the COVID-19 Safety Plan and COVID-19 policies and procedures. Failure to adhere to the same could result in your user group’s permit to use public spaces being revoked without refund of any fees and/or any particular person being banned from access to our facilities.
