**COMMENTS:**

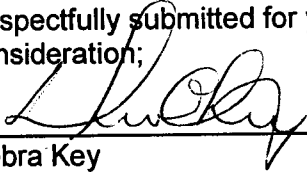

There were no candidate withdrawals, declarations of ineligible candidates or challenges. The Election process ran smoothly for both the Advanced Voting Opportunity and the General Voting Opportunity. The election staff worked tirelessly throughout the entire voting and counting processes until very late in the evening at the General Voting Opportunity. I would highly recommend that Council consider budgeting for the purchase or rental of automated voting machines to reduce the requirement for staffing during the voting opportunity and for the counting process.

I wish to thank all of the Village staff for their professionalism and outstanding support and assistance before and during the election process.

**RECOMMENDATION:**

THAT the Results of the 2014 Municipal Election be received.

Respectfully submitted for your consideration;

Chief Election Officer
