## VILLAGE OF HARRISON HOT SPRINGS

**HARRISON HOT SPRINGS***Naturally Refreshed*

## REPORT TO COUNCIL

**TO:** Mayor and Council **DATE:** March 13, 2013

**FROM:** Andre Isakov, **FILE:** 3900-01  
Manager, Planning & Community Services

**SUBJECT:** Village Core Revitalization Tax Exemption Bylaw

---

**ISSUE:** The Village Core Revitalization Tax Exemption Bylaw No. 1033 is before Council for review, discussion and input.

**BACKGROUND:**

Over the last few years, there have been several exploratory initiatives into several programs that could assist with the revitalization of the Village core in Harrison Hot Springs. Among the ideas that were explored are: the formation of the Business Improvement Association, the development of the Facade Improvement Program, and the establishment of the Tax Revitalization Bylaw. All of these potential initiatives aim at the same goal –they provide tools and support for revitalization and development within the village core. The Village Core Revitalization Tax Exemption Bylaw was identified as one of the tools of particular interest to Harrison.

Under the provisions of Section 226 of the *Community Charter* the Council may by bylaw adopt a tax exemption program for the purpose of encouraging revitalization in a portion of the municipality. Simply put, tax revitalization bylaw provides tax incentives to develop certain areas in a particular way. Various municipalities have taken advantage of this provision such as the City of Parksville, City of Chilliwack, District of Sooke, City of Salmon Arm, District of Maple Ridge to name a few. The levels of incentives always vary from municipality to municipality, and generally the tax revitalization bylaws are established to fit and meet local conditions and needs. However, the basic premise is the same –municipalities try to encourage development by offering to freeze the property taxes at the pre-development level for a period of 5 to 10 years.

**POLICY CONSIDERATIONS:**

It is difficult to estimate budget implications of the Village Core Revitalization Tax Exemption Bylaw as there are several factors that will have an effect on this – factors such as the length of the program, the scope of incentives, the size of the designated revitalization area, the popularity of the program, etc. However, it is important to remember that with this program, the municipality is not losing any property tax revenues. Instead, it forgoes property tax increases for a period of time following redevelopment for the purposes of gaining development and tax revenues long-term.

**ATTACHMENTS:**

- 1) Village Core Revitalization Tax Exemption Bylaw No. 1033

**RECOMMENDATION:**

THAT the Village Core Revitalization Tax Exemption Bylaw No. 1033 be received for first reading; and

THAT pursuant to s. 227 of the *Community Charter*, public notice be given in accordance with s. 94 of the *Community Charter*.

Respectfully submitted for your consideration;
