### **Mayor Talen's Message**

---

The Village of Harrison Hot Springs, the Harrison Hot Springs Resort, and Sts'ailes recently engaged in discussions surrounding the history of Sts'ailes, the cultural significance of the hot springs source, and to establish a positive, respectful relationship moving forward.

While these discussions are at an early stage, the Village of Harrison Hot Springs is optimistic future discussions can lead to opportunities to collaborate and partner to enhance the hot springs experience.

The Village of Harrison Hot Springs looks forward to continuing these discussions and working with Sts'ailes and the Harrison Hot Springs Resort to enhance the visitor experience in a way that respects the culture and traditions of Sts'ailes.

Fred Talen, Mayor
