

Village of Harrison Hot Springs

Resort Development Strategy

Tourism Infrastructure, Amenities or Capital Purchases Category

Splash Pad

Streetscape Enhancements

McCombs Drive Recreation

Interpretive Signage

Canoe / Kayak Launch

Splash Pad

- Beachfront location, adjacent to the new accessible playground
- System as highlighted in photos would not require power and would have low water usage (similar to that of an irrigation system)

Streetscape Enhancements

Lighting, seating, public art opportunities

McCombs Drive Recreation

Pump track, disc golf, active transportation route, linkages to other recreational areas (mapping)

Interpretive Signage

Wayfinding, interpretive signs and audio for accessibility, Halq'eméylem language translations/place stories

Canoe / Kayak Launch

Tourism Services, Programs or Events
